Hi I'm Antony I was born somewhere, and then I grew up ---some might argue or give a benefit of doubt... Along the way I've met lots of interesting people but loved only one..... She's still with me---oops meant my Camera..., I've done things I'm proud of and some... Well not so much, I've lived in different places since my childhood...some argue my parents are from pastoralists community, but not really---the debate can continue ..., but there's no place like home --The Beautiful Nairobi, Kenya—also known as place of cool water—The Maasai might tell us more why they came up with such narrative, I Sing... Badly, I dance --worse than I sing..., I Laugh and sometimes I cry, although I try very hard not to...but remember once upon time used to play football..my all time favorite game, but camera choose to date it..The rest is history

I LOVE to travel and I'm inspired by the people, places and things I see around me. I LOVE my parents, I LOVE my wife—sorry meant my Camera...I LOVE photography, I LOVE my life and I'd LOVE to be part of yours, even if it's just for a short while. I have an unwavering passion for everything I do and your wedding, fashion and portraiture is no exception, I take it very serious and it's never stressful, it's about what happens and having a little fun along the way, be confident and know you're in good hands. I plan to have PERFECT moments in my life, I plan to have lots of PERFECT moments, I hope you do too and I hope I'm with you for one of them! Please do take the time to browse this site, my portfolio might interest you and you can see my latest work by visiting the blog section.. If you like what you see, I'd love to hear from you!

Please get in touch and tell me all about your wedding, beginning with where and when to start, I can check availability and organize a good time to get together for a chat and a coffee.

My approach is to show you a true and natural record of all that happens with each and every emotion, the happy, the sad, the hugs, the laughter and the tears and to show you what you were too distracted to see  
Happy new day!
